Title IX – Search for Equality

Using the website:

http://njdigitalhighway.org/enj/lessons/title_ix_equality/

Click on: **Click on Case Study: Women's Basketball at Rutgers University**

Directions:

Step 1: Read the website information regarding Women's Basketball at Rutgers University. Using the information complete your assigned part of the timeline/chart below – you should summarize in your own words what happened in the Women's Basketball Program during your assigned decade. For each time period write down at 4-5 important events that occurred for the Rutgers Women's Basketball Program

Step 2: Complete research on the internet and find out what was happening during the women's rights movement during your assigned decade. Some suggested websites are listed below.

- <http://www.colorado.edu/AmStudies/lewis/2010/feminism.htm>
Click on Living the Legacy and explore the decades
- <http://frank.mtsu.edu/~kmiddlet/history/women/time/wh-recent.html>

Step 3: Examine the photographs on the website and complete the photo analysis that is attached.

5. From what you observed in the photograph, what 3 things might you infer from this photograph?

1. _____
2. _____
3. _____

Photo #2

1. What time period is the photograph is from?
2. What clues can you find in the photograph about the location of the photograph?
3. Describe the following 3 things in the photograph:

People:

Objects:

Activities:

4. From what you see in the photograph, can you assume a reason why the photograph was taken?

5. From what you observed in the photograph, what 3 things might you infer from this photograph?

4. _____

5. _____

6. _____

Photo #3

1. What time period is the photograph is from?

2. What clues can you find in the photograph about the location of the photograph?

3. Describe the following 3 things in the photograph:

People:

Objects:

Activities:

4. From what you see in the photograph, can you assume a reason why the photograph was taken?

5. From what you observed in the photograph, what 3 things might you infer from this photograph?

7. _____

8. _____

9. _____

Summary

Summarize the change that occurred over time in the photographs. Does your change reflect the information that you found researching for your timeline? Provide specific details in your response. Your summary should be between 5-7 sentences.
