

RUTGERS UNIVERSITY  
DEPARTMENT OF MILITARY SCIENCE AND TACTICS  
NEW BRUNSWICK, N.J.

13 December 1941.

MEMORANDUM:

1. In the event of an air raid or other emergent alarm in New Brunswick or immediate vicinity the following regulations will apply to the United States Army personnel on active duty at this institution and to senior, junior and sophomore members of the Rutgers Reserve Officers' Training Corps unit.
2. Upon learning of the alarm Headquarters personnel will report to this office at once.
3. All student personnel referred to in paragraph 1, above, will prepare to report in uniform, to the senior officer present at the Gymnasium.
4. The senior officer (instructor) present at the Gymnasium will organize students into companies, regardless of previous drill assignments.
5. Orders for a mobilization in the Gymnasium will pass through the chain of command as indicated in paragraph 7, below; orders being initiated by the Professor of Military Science and Tactics or one of his assistants and issued to the cadet regimental commander.
6. The cadet regimental commander and the Area and Section commanders, upon receipt of orders other than by direct personal contact will immediately satisfy themselves that the order received was issued by proper authority. Normal reliance should not be placed in the use of the telephone.
7. The assignment of cadet officers to Areas and Sections, for mobilization only, is shown in Annex No. 1 to this mobilization order. The division of the university territory into Areas and Sections is shown in Annex No. 2 to this mobilization order.

By order of Colonel KOENLER:

J. W. COFFEY  
Major, Infantry,  
Adjutant.
